

PRODISPLAY®

Mirror TV Walls

Our Mirror TV Wall range have multi-panel Mirrorvision® mirror walls with one or more integrated smart TVs. These TV Wall solutions provide an innovative display that doubles up as a mirror while integrating seamlessly with modern or traditional interiors.

SPECIFICATIONS

- Width: 3m, 4.5m, 5m or 7.5m
Height: 2.4m
- Pixel pitches: 1.5mm, 1.9mm and 2.6mm.
HD or 4K.
- Single or multiple 55", 65" or 75" TVs
- Premium Optical Mirror Finish
- Tint: Standard, High Reflective, and
Ultra High Reflective,

BENEFITS

- Premium, highly reflective mirror when off
and transitions into a HD screen when on.
- Camouflages large, obtrusive screens
into surrounding décor.
- Balances reflection and light to keep
4K/HD visuals sharp and vibrant.
- Multi-panel configuration.
- Frameless minimal finishes, oversized
options, & custom shapes or mirror tints.

APPLICATIONS

- Luxury residential spaces
- Retail stores and fitting rooms
- Hotels, spas, and hospitality
- Corporate boardrooms and receptions
- Hair and beauty salons
